INFORMATION 2025

UNIFORMS 2025

All students enrolled at Seriously Dance in 2025 are required to purchase the Seriously Dance Australia uniform, with the exception of Tiny Team students, which is to be worn during classes, performances, and dance events. Each dance style has a specific uniform, along with a versatile Studio T-Shirt that unites students as part of the Seriously Dance family.

WHY IS THE UNIFORM IMPORTANT?

Wearing a uniform has numerous benefits for students, including:

- **Encouraging a sense of belonging:** The uniform fosters a feeling of team spirit and inclusivity, helping students feel like a valued part of the Seriously Dance community.
- **Minimising distractions:** With a set uniform, students can focus entirely on their dancing instead of worrying about what to wear.
- **Improving discipline and readiness:** Wearing the proper attire helps students mentally prepare for class and ensures they're dressed for safety and comfort.
- **Enhancing performance:** Dance-specific uniforms are designed to support the technical requirements of each style, allowing for optimal movement and flexibility.
- **Simplifying life for parents:** With the uniform, there's no need to purchase or organise multiple outfits for classes.
